Application for a Computing Time Project on a System from NHR4CES (RWTH Aachen University + TU Darmstadt)

August 24, 2022

Period:	\<Granting period you apply for (mm 20yy – mm 20yy)\>
Project Title:	\<Title as given in the online proposal\>
HPC Systems(s):	\<Either "CLAIX" (RWTH Aachen University) or "Lichtenberg" (TU Darmstadt)\>
Principal Investigator:	\<Name of PI (needs to be a leading researcher (usually with doctorate))\> \<Affiliation\> \<Address\>
Person to Contact:	\<Name of (technical) contact person(s)\> \<Affiliation\> \<Address\>
Confidentiality:	\<Is any part of the project covered by confidentiality? If YES, please give the reason for confidentiality. Nevertheless, by submitting the proposal, you accept that your project undergoes a scientific review process.\>

Abstract

Please give a short abstract of your PREP project. NOTE: Only use this template for test projects only (e.g., for porting applications or scalability analysis).
